AFFIDAVIT

I, Matthew Holbrook, being duly sworn under oath, state as follows:

1. I am currently a Special Agent with the Drug Enforcement Administration ("DEA") assigned to the Chicago High Intensity Drug Trafficking Area ("HIDTA") Task Force, operated under the auspices of the DEA, an agency within the United States Department of Justice. I have been employed as a DEA Special Agent for approximately three years and have been assigned to the HIDTA Task Force for approximately two years. My primary duty is to investigate criminal violations of the federal controlled substance laws, including, but not limited to, Title 21, United States Code, Sections 841 and 846.

2. During my employment as a DEA Special Agent, I have received specialized training in the means and methods by which drug traffickers unlawfully manufacture, import, distribute and possess with intent to distribute controlled substances, including, but not limited to, the use of telephones and numerical codes and code words to conduct drug trafficking activities. I have also received specialized training in the ways in which international drug trafficking organizations manufacture and smuggle controlled substances into the United States, as well as the means and methods by which international drug trafficking organizations export the proceeds of their drug trafficking activities.

3. I have also received training regarding, and personally participated in, various types of investigative activity, including, but not limited to, the following: (a) physical surveillance; (b)

the debriefing of defendants, witnesses, informants and other individuals who have knowledge concerning the unlawful trafficking in controlled substances; (c) undercover operations; (d) the execution of search warrants; (e) the consensual monitoring and recording of conversations; (f) the handling and maintenance of evidence; (g) electronic surveillance through the use of pen registers and trap and trace devices; and (h) the court-authorized interception of both wire and electronic communications (i.e., Title III wiretaps).

4. The information contained in this affidavit is based upon multiple sources, including surveillance, interviews of cooperating witnesses and other individuals, the review of consensually recorded conversations, conversations recorded pursuant to court-authorized wire interceptions, video surveillance, interviews of other law enforcement officers and/or the review of their reports, and the review of witness statements. The information set forth herein is based on my personal knowledge, information provided to me from other law enforcement officials, as well as knowledge I have acquired through experience and training. The terms "agents" and "officers" are used interchangeably herein to include federal agents and/or police officers. This affidavit is being submitted for the limited purpose of establishing probable cause to: (a) arrest the individuals identified below; and (b) search certain locations described below. Accordingly, I have not included each and every fact known to me concerning this investigation.

5. This affidavit is being submitted in support of a criminal complaint charging that between not later than July 2006 and December 2007, the following individuals conspired to possess with intent to distribute and to distribute in excess of 500 grams of mixtures and substances containing cocaine, in violation of Title 21, United States Code, Section 846:

- (1) FRANCISCO MENDEZ-NUNEZ a/k/a "Pancholine" a/k/a "Pancho"

- (2) SALVADOR GARCIA a/k/a "Chava"

I. BACKGROUND OF THE INVESTIGATION

A. Background of Confidential Sources

1. DEA CS-1

6. A confidential source (hereinafter "CS-1"), has worked with the DEA since approximately 1999. In addition to providing funds for certain expenses, the DEA has paid CS-1 for his/her information and services. CS-1 has two prior arrests by the CPD for Criminal Trespass to a Vehicle and possession of a firearm without a valid FOID card, which charges were subsequently dismissed.¹ CS-1 was deported from the United States in November 1997 and unlawfully reentered the country in January 1998. Because of CS-1's work with the DEA, CS-1 received status as a special parolee and is lawfully present in the United States. CS-1 has cooperated

¹According to CPD documents, CS-1 was stopped for driving while talking on a cell phone. The CS-1 told officers that he was a DEA agent and produced a fake DEA identification badge, according to CPD. Subsequently other DEA paraphernalia and a firearm were recovered from CS-1's residence. I examined the seized firearm and determined it to be a "starter" pistol, similar to that used for athletic contests, loaded with blank rounds. According to the CPD, CS-1 produced the DEA badge to officers on one prior occasion.

in other investigations and is thought to be credible and reliable. Specifically, information provided by CS-1 has resulted in the identification, prosecution, and dismantling of multiple drug distributors who operated in the Chicago area. To date, information provided by CS-1 has resulted in the arrests of approximately fifteen individuals and the seizure of over \$2,000,000 in U.S. currency and assets, 33 kilograms of cocaine, and one-half ton of cannabis. CS-1 has provided credible, reliable, and timely information to law enforcement officers since 1999. During that time, DEA agents have spoken to CS-1 in person and telephonically on numerous occasions. As described below, certain information provided by CS-1 regarding certain individuals engaged in the drug trafficking organization that is the subject of this affidavit has been corroborated by independently obtained evidence during the investigation.

2. DEA CS-2

7. A confidential source (hereinafter "CS-2") was a confidential source for the DEA between approximately June 2007 and on or about August 24, 2007. CS-2 was arrested after purchasing cocaine from SALVADOR GARCIA in June 2007. After his/her arrest, CS-2 agreed to cooperate and make controlled cocaine purchases from SALVADOR GARCIA. CS-2 cooperated in the hope he/she would not be charged for the cocaine purchase from SALVADOR GARCIA. CS-2 has no criminal history. After his/her arrest, CS-2 has provided credible, reliable, and timely information to law enforcement officers. Since that time, DEA agents have spoken to CS-2 in person or telephonically on multiple occasions. Certain information provided by CS-2 regarding SALVADOR GARCIA has been corroborated by independently obtained evidence during this investigation. No promises were made to CS-2 regarding whether he/she would be charged in connection with the June arrest. At this time DEA does not expect to seek the prosecution of CS-2

in connection with that arrest.

B. Certain Historical Information Provided by CS-1 and CS-2

8. On or about July 28, 2006, having been previously directed by agents to make contact with certain individuals, CS-1 informed agents that CS-1 had been introduced by "Pancholine" (whom CS-1 identified as FRANCISCO MENDEZ-NUNEZ based on driver's license records) to Individual A, a Columbian male and the head of a drug-trafficking organization that operated in Chicago. CS-1 related that during unrecorded conversations with other members of the organization they indicated to CS-1 that Individual A had placed FRANCISCO MENDEZ-NUNEZ in charge of day-to-day operations of the Chicago-based organization in the mid- to late-1990s. CS-1 also identified an individual known as "Chava" (whom CS-1 identified through driver's license photograph as SALVADOR GARCIA) as a drug trafficker in the organization, based on CS-1's interactions with and observations of SALVADOR GARCIA. CS-1 stated that "Chava" distributes narcotics for the organization and collects proceeds from narcotics sales. CS-1 related to agents that, at some point during the spring of 2006, SALVADOR GARCIA had provided CS-1 with cellular telephone number (773) 390-6007 (Target Phone 2) as a number that SALVADOR GARCIA used.

9. On or about August 11, 2006, CS-1 informed agents that earlier that day CS-1 had accompanied SALVADOR GARCIA on a pick-up of approximately \$70,000 in cash for FRANCISCO MENDEZ-NUNEZ, who in turn paid SALVADOR GARCIA approximately \$1000 for the pick-up.

10. On or about June 25, 2007, agents interviewed CS-2. CS-2 stated that he/she met SALVADOR GARCIA in approximately June 2007 at Raul's Bar, 3214 West 47th Street, Chicago. CS-2 stated he/she was introduced to SALVADOR GARCIA through an employee of Raul's Bar.

According to CS-2, he/she asked the employee if he knew of anyone who sold cocaine. The employee then turned to SALVADOR GARCIA and introduced CS-2 to him. At the time of the interview, CS-2 said that he/she has been purchasing personal use amounts of cocaine from SALVADOR GARCIA a couple of times every two or three weeks. CS-2 stated that SALVADOR GARCIA had provided CS-2 his phone number (773) 390-6007 (Target Phone 2) after approximately three purchases. CS-2 explained that he/she would call SALVADOR GARCIA on Target Phone 2 to order cocaine.

C. Title III Interception

11. On August 13, 2007, Chief Judge James F. Holderman entered an Order authorizing the interception of wire communications to and from the cellular telephone bearing the number (773) 390-6007 (Target Phone 2) (the "8-13-07 Order"). There was no listed subscriber for Target Phone 2; however, based on surveillance, intercepted calls, and reporting from CS-1 and CS-2, the user of Target Phone 2 was SALVADOR GARCIA.² The wire interception of Target Phone 2 began on August 14, 2007, at approximately 4:41 p.m., and continued until September 11, 2007. On September 11, 2007, Chief Judge Holderman entered an Order authorizing the continued interception of wire communications to and from Target Phone 2 (the "9-11-07 Order"). The continued wire interception of Target Phone 2 pursuant to the 9-11-07 Order began on September 11, 2007 at approximately 4:46 p.m., and continued through October 10, 2007.

²This has been confirmed by CS-2 information, surveillance of the subject while utilizing Target Phone 2 and voice identification by Affiant based on listening to a surveilled meeting between SALVADOR GARCIA and CS-2 on July 12, 2007 and then comparing that voice to the voice on the telephone recordings. Surveillance was able to identify SALVADOR GARCIA through photographic identification. Additionally, during intercepted conversations over Target Phone 2 and Target Phone 3, SALVADOR GARCIA was referred to by nickname and first name on several occasions.

12. On October 9, 2007, Chief Judge James F. Holderman entered an Order authorizing the interception of wire communications to and from cellular telephone (773) 315-0030 (Target Phone 3) for a period of thirty days (the "10-9-07 Order"). Based on subscriber information, interceptions, and surveillance, the user of Target Phone 3 was MENDEZ-NUNEZ.³ Agents conducted interceptions pursuant to the 10-9-07 Order from October 9, 2007 through November 7, 2007. On November 8, 2007, Chief Judge James F. Holderman entered an Order authorizing the continued interception of wire communications to and from Target Phone 3 for a period of thirty days (the "11-8-07 Order"). Agents conducted interceptions pursuant to the 11-8-07 Order from November 8, 2007 through and including December 7, 2007.

II. SUMMARY OF INVESTIGATION

13. This investigation has revealed that FRANCISCO MENDEZ-NUNEZ and others are significant participants in a drug trafficking conspiracy in Chicago, Illinois, and elsewhere. The organization is involved in the distribution and delivery of quantities of cocaine to multiple customer, including those located throughout Illinois, northwest Indiana, and Virginia. The investigation has revealed that FRANCISCO MENDEZ-NUNEZ's organization is being supplied with cocaine by, among others, JUAN DURAN and JAVIER GARCIA, who was aided by

³The identification of FRANCISCO MENDEZ-NUNEZ has been confirmed by surveillance of the subject while utilizing Target Phone 3. For example on November 2, 2007 at approximately 2:16 p.m., surveillance observed MENDEZ-NUNEZ outside the Mi Segunda Bar talking on Target Phone 3 which was confirmed by Call Session #1220. Target Phone 3 is subscribed to FRANCISCO MENDEZ at 10424 S. Avenue L, Chicago, Illinois. The biographical information provided to AT & T by the subscriber such as date of birth, social security number and Illinois driver's license number all match Francisco MENDEZ-NUNEZ. Additionally, during prior phone calls over Target Phone 3, individuals such as JAVIER GARCIA referred to FRANCISCO MENDEZ-NUNEZ as "Pancho," which is the alias utilized by FRANCISCO MENDEZ-NUNEZ according to information provided by CS-1.

FRANCISCO SOTO. Their customers include drug users and those who purchase wholesale quantities of cocaine for distribution, including OSCAR ANDRADE, who purchased approximately two kilograms of cocaine from FRANCISCO MENDEZ-NUNEZ and distributed the cocaine to Individual K, and SALVADOR GARCIA, a retail distributor. The distributions occurred in public places, private residences, and various business establishments located in the Chicago and Summit, Illinois areas, including bars and restaurants. In addition, FRANCISCO MENDEZ-NUNEZ often used his own garage as a distribution point. FRANCISCO MENDEZ JR. a/k/a "PACO," the son of FRANCISCO MENDEZ-NUNEZ, coordinated drug deliveries when his father was absent, including by arranging distribution to DON MCNISH, a frequent customer of FRANCISCO MENDEZ-NUNEZ, and VICTOR VELAZQUEZ, who received from and distributed cocaine to co-conspirators. Meetings were oftentimes arranged during telephone conversations. During the investigation law enforcement seized approximately two kilograms of cocaine on or about July 16, 2007, approximately two kilograms of cocaine on or about October 31, 2007, and various smaller amounts of cocaine.

III. SUMMARY OF DEFENDANTS' ROLES IN THE CONSPIRACY

14. The following is a brief summary of the roles each co-conspirator played in the conspiracy and the paragraphs in this affidavit pertaining to each:

(a) FRANCISCO MENDEZ-NUNEZ a/k/a "PANCHOLINE" a/k/a "PANCHO": As described throughout this affidavit, Affiant believes FRANCISCO MENDEZ-NUNEZ operated a cocaine distribution organization (the "organization") in the Chicago, Illinois, area. FRANCISCO MENDEZ-NUNEZ's distribution organization distributed kilogram quantities of cocaine to various individuals in the Illinois, Indiana, and Virginia areas. During the investigation, FRANCISCO

MENDEZ-NUNEZ delivered cocaine and collected drug proceeds by meeting customers at his residence, public places, and various businesses. In addition, FRANCISCO MENDEZ-NUNEZ directed individuals, including his son FRANCISCO MENDEZ JR., SALVADOR GARCIA, and others to distribute narcotics, collect narcotics proceeds, and send narcotics proceeds to Mexico. (See paragraphs 8-9, 12, 15-28, 31-36, 47-71, 83-86, 88-89, 91-95, 97-98.)

(b) SALVADOR GARCIA a/k/a "CHAVA": Affiant believes SALVADOR GARCIA assisted FRANCISCO MENDEZ-NUNEZ by delivering drugs to the organization's customers, collected drug proceeds for FRANCISCO MENDEZ-NUNEZ, and sent money to Mexico for FRANCISCO MENDEZ-NUNEZ. In addition to assisting FRANCISCO MENDEZ-NUNEZ, SALVADOR GARCIA served a large network of both wholesale and personal use drug customers in the Chicago area. Agents frequently observed SALVADOR GARCIA visit multiple bars and restaurants in the Chicago and Summit, Illinois areas, where he would distribute personal use and wholesale amounts of drugs to various customers inside and in the vicinity of the establishments. SALVADOR GARCIA was also observed on multiple occasions making deliveries of unknown amounts of drugs to customers' residences. (See paragraphs 7-11, 37-46, 72-88, 90-96.)

(c) FRANCISCO MENDEZ JR. a/k/a "PACO": Affiant believes FRANCISCO MENDEZ JR. assisted his father FRANCISCO MENDEZ-NUNEZ by distributing drugs and collecting drug proceeds while FRANCISCO MENDEZ-NUNEZ was in Mexico. Also FRANCISCO MENDEZ JR. aided FRANCISCO MENDEZ-NUNEZ by purchasing drugs from FRANCISCO MENDEZ-NUNEZ's cocaine suppliers for distribution. For example, while FRANCISCO MENDEZ-NUNEZ was in Mexico, FRANCISCO MENDEZ-NUNEZ made arrangements for FRANCISCO MENDEZ JR. to purchase approximately two kilograms of cocaine

from JAVIER GARCIA, one of FRANCISCO MENDEZ-NUNEZ's suppliers. (See paragraphs 47, 53-55, 60-61, 88-89, 94-95, 98.)

(d) JAVIER GARCIA ("JAVI"): Affiant believes JAVIER GARCIA supplied FRANCISCO MENDEZ-NUNEZ's organization with wholesale amounts of cocaine which were then re-distributed by the organization for profit. In addition, your Affiant believes when FRANCISCO MENDEZ-NUNEZ was absent, JAVIER GARCIA distributed to FRANCISCO MENDEZ-NUNEZ's distributors. For example, based on intercepted phone calls, surveillance, and an ounce cocaine seizure from SALVADOR GARCIA, your Affiant believes JAVIER GARCIA, and his brother-in-law FRANCISCO SOTO, supplied cocaine to SALVADOR GARCIA while FRANCISCO MENDEZ-NUNEZ was in Mexico. (See paragraphs 37-38, 40, 47-52.)

(e) FRANCISCO SOTO: Affiant believes FRANCISCO SOTO assisted JAVIER GARCIA, his brother in-law, by distributing drugs and collecting drug proceeds. On occasion, FRANCISCO SOTO provided cocaine to SALVADOR GARCIA at the direction of JAVIER GARCIA. Intercepted calls demonstrate SALVADOR GARCIA would travel to FRANCISCO SOTO's residence to purchase cocaine. SALVADOR GARCIA then distributed the cocaine to various customers of the organization. (See paragraphs 13, 38-46, 49, 52.)

(f) JUAN DURAN a/k/a "JUAN DURAN-PADILLA" a/k/a "JUANILLO": Affiant believes that JUAN DURAN supplied FRANCISCO MENDEZ-NUNEZ with wholesale amounts of cocaine. On or about October 30, 2007, for example, FRANCISCO MENDEZ-NUNEZ obtained two kilograms of cocaine from JUAN DURAN, which cocaine FRANCISCO MENDEZ-NUNEZ then sold to OSCAR ANDRADE, who in turn distributed the cocaine to Individual K in southern Illinois. (See paragraphs 22, 26, 31-36.)

(g) OSCAR ANDRADE: Affiant believes that OSCAR ANDRADE distributed cocaine as part of the organization. FRANCISCO MENDEZ-NUNEZ supplied OSCAR ANDRADE with wholesale amounts of cocaine. For example, on one occasion during the investigation, OSCAR ANDRADE purchased approximately two kilograms of cocaine from FRANCISCO MENDEZ-NUNEZ and thereafter distributed that cocaine to Individual K in southern Illinois. (See paragraphs 17-21, 24, 28, 29, 30.)

(h) VICTOR VELAZQUEZ: Affiant believes VICTOR VELAZQUEZ obtained cocaine from FRANCISCO MENDEZ-NUNEZ and FRANCISCO MENDEZ JR. on multiple occasions and distributed the cocaine to customers. In addition, VICTOR VELAZQUEZ distributed cocaine to SALVADOR GARCIA on multiple occasions. On some occasions, FRANCISCO MENDEZ-NUNEZ fronted the cocaine to VICTOR VELAZQUEZ, meaning he would repay FRANCISCO MENDEZ-NUNEZ for the drugs after he resold them to customers. (See paragraphs 55, 63-75.)

(i) DON MCNISH: Affiant believes DON MCNISH purchased resale amounts of cocaine from FRANCISCO MENDEZ-NUNEZ and FRANCISCO MENDEZ JR. and thereafter distributed that cocaine for profit to other individuals. On at least some occasions, FRANCISCO MENDEZ-NUNEZ fronted the cocaine to DON MCNISH, meaning he would repay FRANCISCO MENDEZ-NUNEZ for the drugs after he resold them to customers. Further, your Affiant believes based on intercepted phone calls that DON MCNISH owes a significant drug debt to FRANCISCO MENDEZ-NUNEZ, which DON MCNISH has been trying to repay throughout much of the investigation. (See paragraphs 54-62.)

IV. PROBABLE CAUSE

A. Two Kilogram Cocaine Seizure Relating to MENDEZ-NUNEZ

15. As part of a separate investigation, the FBI in Virginia conducted a drug trafficking investigation that involved a subject traveling to Chicago to obtain wholesale quantities of cocaine, according to an FBI agent with knowledge of the matter. That investigation, which involved a judicially authorized wiretap on a phone used by Individual B, developed evidence that Individual B sent his brother, Individual C, to Chicago during Memorial Day weekend 2007 to purchase cocaine. GPS data revealed that one of Individual B's vehicles traveled to the vicinity of 10982 South Ave. N. in Chicago and stayed in Chicago for approximately two hours. During the trip, Individual C contacted a Chicago number used by Individual D that, in turn, had been in contact with a phone subscribed to FRANCISCO MENDEZ-NUNEZ on May 13 and May 14, 2007.

16. On or about July 13, 2007, FBI agents from Virginia notified DEA Chicago that based on intercepted calls between Individual B and Individual D, they believed that Individual B intended to travel to Chicago to purchase two kilograms of cocaine from Individual D. On or about July 14, 2007, agents observed Individual B and Individual I meet and relocate to Individual I's residence at 10954 S. Avenue N in Chicago, where Individual B removed his vehicle's battery. On or about July 15, 2007, agents observed Individual B put his vehicle's battery back into place; travel with Individual D to the residence of FRANCISCO MENDEZ-NUNEZ at 10424 S. Avenue L, Chicago, Illinois;⁴ Individual D walk up to FRANCISCO MENDEZ-NUNEZ's residence carrying a plastic bag; Individual D speak with FRANCISCO MENDEZ-NUNEZ in the rear of the residence; and Individual D leave the residence and enter his vehicle without the plastic bag. Agents observed

⁴As described below at Section VI, agents confirmed the residence of MENDEZ-NUNEZ by physical surveillance, public records, and subscriber information.

Individual B wait inside Individual D's vehicle while Individual D met with FRANCISCO MENDEZ-NUNEZ. The same afternoon, agents observed Individual B and Individual D travel to FRANCISCO MENDEZ-NUNEZ'S residence where the two met with FRANCISCO MENDEZ-NUNEZ in the rear of the residence. On or about July 16, 2007, Individual B was arrested by FBI Virginia upon returning to the Virginia area from Chicago. A search of Individual B's vehicle by agents revealed approximately two kilograms of cocaine concealed inside a false battery contained inside the vehicle.

B. Seizure of Approximately 2 Kilograms of Cocaine Relating to FRANCISCO MENDEZ-NUNEZ, JUAN DURAN, OSCAR ANDRADE, and Individual K

17. On October 27, 2007, at approximately 11:31 a.m. (Call Session 1058), FRANCISCO MENDEZ-NUNEZ, using Target Phone 3, placed an outgoing call to OSCAR ANDRADE.⁵ During the conversation, OSCAR ANDRADE stated, "No, no. Well, I'm going to get out around 4:00 p.m. today, so, so that I can go talk with you."⁶ FRANCISCO MENDEZ-NUNEZ replied, "Uh-huh."

⁵The identification of OSCAR ANDRADE is based, in part, upon the following. On October 30, 2007, FRANCISCO MENDEZ-NUNEZ placed a call to a prepaid cellular telephone number believed to be being used by OSCAR ANDRADE and subscribed to a fictitious name. During the call, ANDRADE told MENDEZ-NUNEZ to come to his house. Agents then followed MENDEZ-NUNEZ to 4753 S. Avers, Chicago, Illinois. A utility check on the residence indicated OSCAR ANDRADE resides at the address. Shortly after FRANCISCO MENDEZ-NUNEZ departed and OSCAR ANDRADE, who was also identified based upon a photograph corresponding to an Illinois driver's license, was observed leaving the residence in a Nissan Altima registered in his name.

⁶Times provided for the intercepted communications summarized below are approximate. The summaries do not include references to every topic discussed during an intercepted conversation, nor do the summaries include every statement made by a speaker about the topics discussed. Several of these conversations were in the Spanish language, and language analysts have provided preliminary transcripts or summaries of these conversations in English. My understanding and interpretation of these conversations is denoted by square brackets and is based on my knowledge of the investigation to date, the context of the conversations (both

OSCAR ANDRADE then said, "They called me last week, and they're ready." [OSCAR ANDRADE wanted to purchase cocaine from FRANCISCO MENDEZ-NUNEZ for other individuals.] FRANCISCO MENDEZ-NUNEZ said, "All right, then."

18. On October 27, 2007, at approximately 4:45 p.m. (Call Session 1073), FRANCISCO MENDEZ-NUNEZ, using Target Phone 3, placed an outgoing call to OSCAR ANDRADE. During the conversation, FRANCISCO MENDEZ-NUNEZ asked OSCAR ANDRADE, "Did you need a ticket...some tickets...tickets for the dance or what? [MENDEZ-NUNEZ asked ANDRADE if he wanted an amount of cocaine.] OSCAR ANDRADE replied, "Yes, I need two." [Two kilograms of cocaine.] FRANCISCO MENDEZ-NUNEZ then said, "Okay, call me once you get to your house." OSCAR ANDRADE said, "Okay, I'll wait for you. Right by my house..." FRANCISCO MENDEZ-NUNEZ said, "No! Call me when you get there."

19. On October 27, 2007, at approximately 5:07 p.m., (Call Session 1074), FRANCISCO MENDEZ-NUNEZ received an incoming call on Target Phone 3 from OSCAR ANDRADE. During the conversation, OSCAR ANDRADE said, "I'm here at home already." FRANCISCO MENDEZ-NUNEZ said, "Well, at what time you get in at work in the morning?" OSCAR ANDRADE said, "No, I don't work tomorrow." FRANCISCO MENDEZ-NUNEZ then stated, "No...then tomorrow in the morning instead...Because there's a party!" OSCAR ANDRADE replied, "Okay." FRANCISCO MENDEZ-NUNEZ said, "Anyway, look: It'll be better early in the morning. Anyhow everything is all ready..." OSCAR ANDRADE said, "Okay...It's because I

standing alone and in reference to prior and subsequent conversations, and in the context of the investigation as a whole), my training and experience, conversations I have had with other agents and officers experienced in narcotics investigations, and on information provided by CS-1 and CS-2.

wanted ...I wanted to go tomorrow." FRANCISCO MENDEZ-NUNEZ said, "I'll give you a call early and shit. Maybe I'll..." OSCAR ANDRADE said, "Okay."

20. On October 29, 2007, at approximately 12:40 p.m., (Call Session 1106), FRANCISCO MENDEZ-NUNEZ, using Target Phone 3, placed an outgoing call to OSCAR ANDRADE. During the conversation, OSCAR ANDRADE told FRANCISCO MENDEZ-NUNEZ, "I'll call you early, tomorrow." MENDEZ-NUNEZ said, "All right."

21. On October 30, 2007, at approximately 7:45 a.m., agents established surveillance on FRANCISCO MENDEZ-NUNEZ's residence at 10424 South Avenue L in an effort to observe a meeting between FRANCISCO MENDEZ-NUNEZ and OSCAR ANDRADE.

22. At approximately 9:44 a.m., (Call Session 1137), FRANCISCO MENDEZ-NUNEZ, using Target Phone 3, placed an outgoing call to JUAN DURAN at telephone number (773) 401-3589.⁷ During the conversation, FRANCISCO MENDEZ-NUNEZ asked JUAN DURAN, "Did you go to break already?" JUAN DURAN replied, "...just working hard, not yet but..." FRANCISCO MENDEZ-NUNEZ said, "What time are you coming out?" JUAN DURAN said, "...in about ten to twelve minutes, I think." FRANCISCO MENDEZ-NUNEZ said, "Oh, not sure if I'll get there on time." JUAN DURAN said, "Huh." FRANCISCO MENDEZ-NUNEZ then said, "Leave them for me, remember how I told you?" [MENDEZ-NUNEZ told DURAN to leave the kilograms of cocaine in the spot where MENDEZ-NUNEZ told him to.] JUAN DURAN replied, "Okay. That's fine. I'll leave it there [U/I]..."

⁷The telephone's voicemail indicated that the phone belonged to JUAN DURAN, though no subscriber was listed. In addition based on intercepted phone calls and surveillance, as described below in paragraph 33, agents observed FRANCISCO MENDEZ-NUNEZ meeting with JUAN DURAN, who was video recorded and identified by surveillance agents based on an Illinois driver's license photograph, after the two arranged to meet over the phone.

23. At approximately 9:45 a.m., agents observed FRANCISCO MENDEZ-NUNEZ and an unknown Hispanic male leave FRANCISCO MENDEZ-NUNEZ's residence in MENDEZ-NUNEZ's green Dodge Ram pick-up truck.

24. At approximately 9:54 a.m. (Call Session 1139), FRANCISCO MENDEZ-NUNEZ, using Target Phone 3, placed an outgoing call to OSCAR ANDRADE. During the conversation, FRANCISCO MENDEZ-NUNEZ said, "Yeah, I'm on my way." OSCAR ANDRADE replied, "Nothing, I'm just here." FRANCISCO MENDEZ-NUNEZ said, "Huh?" OSCAR ANDRADE then said, "Here at home." FRANCISCO MENDEZ-NUNEZ replied, "So should we meet there, or where else?" OSCAR ANDRADE said, "I'm here at home, I want to show you something." FRANCISCO MENDEZ-NUNEZ said, "Huh?" OSCAR ANDRADE said, "Come to my house, I want to show you something."

25. At approximately 10:08 a.m., agents observed FRANCISCO MENDEZ-NUNEZ and an unknown male arrive in FRANCISCO MENDEZ-NUNEZ's green Dodge Ram pick-up at Edsal Manufacturing, 4400 S. Packer Street, Chicago, Illinois. Surveillance agents observed FRANCISCO MENDEZ-NUNEZ exit the green Dodge empty handed and walk between several parked vehicles out of sight of agents.

26. At approximately 10:09 a.m., (Call Session 1140), MENDEZ-NUNEZ, using Target Phone 3, placed an outgoing call to JUAN DURAN. During the conversation, FRANCISCO MENDEZ-NUNEZ said, "Oh, what the fuck!" JUAN DURAN said, "Hello." FRANCISCO MENDEZ-NUNEZ said, "Your car alarm was going off." JUAN DURAN said, "Yeah." Shortly thereafter, an unknown Hispanic female (UHF) entered the Nissan Murano and the two departed the area. Agents followed OSCAR ANDRADE and the UHF to a Jewel grocery store located near the intersection of Pulaski and 54th streets in Chicago, Illinois. At approximately 9:48 p.m., agents observed OSCAR ANDRADE discard a white plastic bag into a garbage can located on the north side of the Jewel grocery store. After following OSCAR ANDRADE home, agents returned to the garbage can and retrieved the plastic bag OSCAR ANDRADE discarded. At approximately 3:08 p.m., agents observed Individual K exit OSCAR ANDRADE's red Nissan and open the trunk and remove a bag with white handles. At that time, OSCAR ANDRADE immediately left the area and Individual K entered a Ford Explorer with the bag he retrieved from OSCAR ANDRADE's vehicle. At approximately 3:26 p.m., agents observed Individual K commit various traffic violations and initiated a traffic stop. During the traffic stop, Individual K, who identified himself to officers, verbally consented to a search of his vehicle. During the search of his vehicle, agents discovered a bag containing what appeared to be two kilograms of cocaine. An agent, posing as a corrupt officer, seized the two kilograms of cocaine, apparently without Individual K's knowledge. At the time of the stop, agents also seized approximately \$2,516 in cash from Individual K. At the time of the seizure, Individual K was not arrested, in order to protect the investigation. Individual K is not cooperating with the investigation at this time.

From prior conversations with SALVADOR GARCIA, CS-2 recognized the voice on Target Phone 2 as that of SALVADOR GARCIA. According to CS-2 and preliminary transcripts, SALVADOR GARCIA told CS-2 that he would meet CS-2 but that CS-2 would have to go to 47th and Laflin [the location of the Mi Segunda Casa bar].

78. At approximately 5:16 p.m., in the presence of agents, CS-2 placed a second consensually recorded call to Target Phone 2. During the call, CS-2 said, "Hey Chava" and SALVADOR GARCIA responded, "Yes." CS-2 told SALVADOR GARCIA that he/she would call SALVADOR GARCIA when he/she was outside. SALVADOR GARCIA said, "Okay." Agents also searched CS-2 and CS-2's vehicle for contraband and cash with negative results, equipped CS-2 with an undercover recording device, and provided CS-2 with pre-recorded funds. After the search, agents kept CS-2 under constant surveillance.

79. At approximately 5:30 p.m., agents observed SALVADOR GARCIA standing in front of the Mi Segunda Casa bar. At approximately 5:37 p.m., CS-2 received an incoming consensually recorded call from SALVADOR GARCIA on Target Phone 2 who stated to CS-2, "Are you close by or no?" CS-2 said, "Yeah, you know what? Almost, almost...should I meet you at the Aldi's parking lot or what?" SALVADOR GARCIA responded, "No, why don't you stop here by...[U/I]...and pick me up. You can give me the ball here."

80. At approximately 5:47 p.m., agents observed and videotaped CS-2 arrive near the Mi Segunda Casa bar, pick up SALVADOR GARCIA, and proceed westbound on 47th Street. During the meeting with SALVADOR GARCIA, which was recorded, CS-2 stated, "Well, look, let's see if we can do the same thing. Give me two for sixty. If you can." SALVADOR GARCIA responded by

saying, "Okay, yeah." According to CS-2, after entering CS-2's vehicle, SALVADOR GARCIA reached into his pocket and pulled out a clear plastic bag containing multiple smaller plastic baggies that contained a white powdery substance [cocaine]. According to CS-2, SALVADOR GARCIA removed two of the small plastic baggies containing cocaine and placed them into the center console of CS-2's vehicle. At that time, CS-2 placed \$60 in the console next to the two small plastic bags of cocaine. SALVADOR GARCIA removed the buy money. A short time later, SALVADOR GARCIA exited CS-2's vehicle and entered the Ford Mustang. Agents continued to keep CS-2 under surveillance until CS-2 reached a safe meeting point. Agents subsequently recovered the two bags containing suspect cocaine from the console. The white powdery substance in the bags field tested positive for cocaine. The bags were submitted for laboratory analysis and the white substance was determined to be approximately 1.2 grams of cocaine. CS-2 and CS-2's vehicle were searched again for contraband and excess buy money with negative results. Agents also recovered the recording device.

3. Controlled Purchase by CS-2 on July 11, 2007

81. On or about July 11, 2007, agents made plans for CS-2 to purchase cocaine from SALVADOR GARCIA. At approximately 4:50 p.m., agents observed SALVADOR GARCIA'S Ford Mustang parked in the parking lot at Raul's Bar. At approximately 5:09 p.m., in the presence of agents, CS-2 placed a consensually recorded phone call to SALVADOR GARCIA on Target Phone 2 and arranged to meet SALVADOR GARCIA at Raul's Bar to purchase a small amount of cocaine. During the consensually recorded call, CS-2 stated, "Hey, what are you doing, man?" SALVADOR GARCIA responded, "Here with Raul." CS-2 then asked, "Uhm... Could I go see you?" SALVADOR GARCIA responded, "Yeah, but only if you come in." Agents also searched CS-2 and CS-2's vehicle

for contraband and cash with negative results, equipped him with an undercover recording device, and provided him with pre-recorded buy money. After the search, agents kept CS-2 under constant surveillance.

82. At approximately 5:22 p.m., CS-2 placed a second phone call to SALVADOR GARCIA to notify him he/she was waiting in the parking lot, according to CS-2. (The phone call was partially recorded by a recording device that CS-2 was wearing; the only voice heard is CS-2.) According to CS-2, CS-2 convinced SALVADOR GARCIA to exit the bar and meet CS-2 in the parking lot. At approximately 5:22 p.m., agents observed and video recorded SALVADOR GARCIA exit Raul's Bar and approach the passenger side of CS-2's vehicle. According to CS-2 and surveillance, SALVADOR GARCIA approached the passenger-side door of CS's vehicle and leaned into the vehicle. CS-2 then stated to SALVADOR GARCIA, "Could you give me two? Or not?" SALVADOR GARCIA then said, "What do you mean?" CS-2 then said, "Like last time." SALVADOR GARCIA then replied, "Yeah but here goes one." According to CS-2, SALVADOR GARCIA then tossed one clear plastic baggie containing a white powdery substance into CS-2's vehicle on the passenger seat. According to CS-2, SALVADOR GARCIA entered CS-2's vehicle. CS-2 advised that SALVADOR GARCIA was very nervous and looking around at an unrelated vehicle that entered the parking lot near their location. CS-2 stated that after SALVADOR GARCIA calmed down, he placed a second clear plastic baggie containing a white powdery substance into the console of CS-2 vehicle. CS-2 stated he/she then handed SALVADOR GARCIA the buy money at which time SALVADOR GARCIA counted it. After a brief conversation, SALVADOR GARCIA exited CS-2 vehicle, entered the Ford Mustang, and left the area. Agents kept CS-2 under constant surveillance until CS-2 reached a safe meeting point. Agents there recovered the two bags from the

console. The bags were submitted for laboratory analysis and the white substance was determined to be approximately 1.5 grams of cocaine. Agents also searched CS-2 and CS-2's vehicle for contraband and excess buy money with negative results and recovered the recording device.

I. Calls Related to Drug Trafficking and Money Transfers Between SALVADOR GARCIA, FRANCISCO MENDEZ-NUNEZ and FRANCISCO MENDEZ JR.

83. On or about August 18, 2007, at approximately 7:21 p.m., FRANCISCO MENDEZ-NUNEZ used Target Phone 3 to call SALVADOR GARCIA at Target Phone 2. (Call Session 223) During the conversation, FRANCISCO MENDEZ-NUNEZ tried to convince SALVADOR GARCIA to come to the restaurant where he was eating. SALVADOR GARCIA said to FRANCISCO MENDEZ-NUNEZ, "Stupid...a sick one just called me." [Meaning a cocaine customer just called him.] FRANCISCO MENDEZ-NUNEZ responded, "There is one over here too." [FRANCISCO MENDEZ-NUNEZ wanted SALVADOR GARCIA to come to where he was because there was a cocaine customer there too.]

84. On or about August 21, 2007, at approximately 1:33 p.m., SALVADOR GARCIA used Target Phone 2 to call FRANCISCO MENDEZ-NUNEZ on Target Phone 3. (Call Session 330) During the conversation, SALVADOR GARCIA stated, "I want to give you something." FRANCISCO MENDEZ-NUNEZ said, "I was going to look for you because I need to send some money [narcotics proceeds] over there [Mexico]."¹⁴ FRANCISCO MENDEZ-NUNEZ said, "Let me go send some over here and then I'll go over there and we'll send the rest from over there." FRANCISCO MENDEZ-NUNEZ then said, "With your name." [FRANCISCO MENDEZ-NUNEZ

¹⁴Based on extensive physical and electronic surveillance conducted as part of the investigation, it is your Affiant's belief that FRANCISCO MENDEZ-NUNEZ is not legitimately employed in the United States.

wanted to send narcotics proceeds to Mexico using SALVADOR GARCIA's name.]

85. On or about August 22, 2007, at approximately 1:57 p.m., SALVADOR GARCIA used Target Phone 2 to call FRANCISCO MENDEZ-NUNEZ on Target Phone 3. (Call Session 365) SALVADOR GARCIA called FRANCISCO MENDEZ-NUNEZ to find out where he was and asked, "No too much. I just wanted to I wanted to stop by and say hello to you. I was getting to the, you were on your way out." [SALVADOR GARCIA was out of cocaine and wanted to come and get some from FRANCISCO MENDEZ-NUNEZ.] FRANCISCO MENDEZ-NUNEZ then told SALVADOR GARCIA, "If you want we'll meet tomorrow morning to see what's up." At approximately 6:02 p.m., SALVADOR GARCIA received an incoming call from Individual H. (Call Session 371) During the conversation, SALVADOR GARCIA stated, "You finished all of it alone?" [Used all of the cocaine by herself.] Individual H went on to say, "My friend. Uh can you do it tomorrow?" SALVADOR GARCIA said, "Tomorrow, Tomorrow I am going to arrive like at the same time around there. Because...until that time they are going to. Until that time they are going to bring me the pants." [SALVADOR GARCIA will not have cocaine until they bring it to him tomorrow.] Individual H asked, "Okay, okay. But if you see something like that. Uh...we will do it like that. Bring me the same but less." [Individual H asked SALVADOR GARCIA to bring her a smaller amount of cocaine than SALVADOR GARCIA had given her on a prior occasion.] SALVADOR GARCIA said, "Less?" Individual H said, "Well no. Or more however. I had a lot. I thought it was good." Individual H went on to say she was going to introduce a friend to SALVADOR GARCIA and the two agreed to meet the following day. It is your Affiant's belief based on the two previous calls that SALVADOR GARCIA was out of cocaine and he was trying to replenish his supply by going to "say hello" to FRANCISCO MENDEZ-NUNEZ. SALVADOR GARCIA was told by FRANCISCO

MENDEZ-NUNEZ that he could not see him until the next day. SALVADOR GARCIA then told Individual H (a customer) that he could not see her until the next day.

86. On or about August 25, 2007, at approximately 7:44 p.m., SALVADOR GARCIA using Target Phone 2 placed an outgoing call to FRANCISCO MENDEZ-NUNEZ at phone number (773) 315-0030. (Call Session 590) During the conversation, FRANCISCO MENDEZ-NUNEZ told SALVADOR GARCIA, "Oh! My buddy was going to send me something else." [FRANCISCO MENDEZ-NUNEZ was going to receive an amount of drugs from a friend.] SALVADOR GARCIA then said, "Oh yeah, yeah. We are going to go over there about 9:00. We'll be there around 9:00."

87. On or about August 25, 2007, at approximately 7:45 p.m., SALVADOR GARCIA used Target Phone 2 to place an outgoing call to Individual M. (Call Session 592) Based on other intercepted calls, Individual M appears to be a cocaine customer of SALVADOR GARCIA. During the above-referenced call, Individual M asked SALVADOR GARCIA, "What's up? What time are you coming?" SALVADOR GARCIA then told Individual M, "No, no right now I'm telling you that...Maybe around 11:00" [SALVADOR GARCIA told her that he can't deliver cocaine to her until 11:00.] SALVADOR GARCIA then told Individual M that he is on his way to Indiana. [FRANCISCO MENDEZ-NUNEZ lives near the Illinois and Indiana border.] Based on the above mentioned calls, your Affiant believes SALVADOR GARCIA was going to FRANCISCO MENDEZ-NUNEZ's residence to pick up cocaine and intending thereafter to deliver cocaine to Individual M.

88. On or about October 23, 2007, at approximately 1:13 p.m., FRANCISCO MENDEZ-NUNEZ received an incoming call on Target Phone 3 from FRANCISCO MENDEZ JR. (Call Session 17). The following call occurred while FRANCISCO MENDEZ-NUNEZ was in Mexico and

FRANCISCO MENDEZ JR. was in Chicago, Illinois. During the conversation, FRANCISCO MENDEZ JR. asked, "All right. So, that you wanted me to send you some money?" FRANCISCO MENDEZ-NUNEZ said, "If you want. Because I think your mom's going to stay. Didn't you speak with her?" FRANCISCO MENDEZ JR. then said, "I already talked to her and told her...Because (Individual F) called me yesterday and told me to go and get the money." FRANCISCO MENDEZ-NUNEZ then said, "It's because my buddy (Individual J) left me some money with him. So I need you to pick it up!" FRANCISCO MENDEZ JR. then said, "Huh? Well that's what I was thinking, but he told me no just send it to him, but I told him he's already coming on Thursday and he told me [U/I]." FRANCISCO MENDEZ-NUNEZ then said, "That's why, so if you go over there, go and pick it up, it's because I had told (Individual F) to tell him that I needed it, because the asshole will spend it all. Last year, he spend all of it and didn't pay me." FRANCISCO MENDEZ JR. then said, "I know...yeah, well uh...yeah, it's what I had imagined. All right." FRANCISCO MENDEZ-NUNEZ said, "So then, I'll call you if I need some."

89. On or about October 24, 2007, at approximately 2:52 p.m., FRANCISCO MENDEZ-NUNEZ received an incoming call on Target Phone 3 from FRANCISCO MENDEZ JR. (Call Session 1043). During the call, FRANCISCO MENDEZ JR. asked FRANCISCO MENDEZ-NUNEZ, "Bancomer or Banamex." FRANCISCO MENDEZ-NUNEZ replied, "No, it's at Order Express." FRANCISCO MENDEZ JR. then said, "I know it's Order Express, but they're asking me, to what bank over there? [FRANCISCO MENDEZ JR. is asking FRANCISCO MENDEZ-NUNEZ what bank should he send money to in Mexico.] FRANCISCO MENDEZ-NUNEZ said, "Send it to Casa Popular." FRANCISCO MENDEZ JR. asked, "Casa Popular?" FRANCISCO MENDEZ-NUNEZ then asked, "You should [U/I], I'm was asking.. isn't (Individual N) around there?" FRANCISCO

MENDEZ JR. said, "No, why? FRANCISCO MENDEZ-NUNEZ said, "So you can send some for me, and some others for him..." [FRANCISCO MENDEZ-NUNEZ asked if another individual was with FRANCISCO MENDEZ JR. so that the other person could also send money to another unknown person in Mexico without alerting banking officials.] FRANCISCO MENDEZ JR. said, "Well I came by myself over here, and you know [U/I]." FRANCISCO MENDEZ-NUNEZ then asked, "So ask how much one can send?" FRANCISCO MENDEZ JR. later said, "That she doesn't know if they'll give you the \$3,000 there. She is going to verify." FRANCISCO MENDEZ-NUNEZ said, "It's cause if you send me \$3,000 then they'll ask for identification and all that shit. That's why I told you to take someone with you so each of you could send \$1500 and \$1500." FRANCISCO MENDEZ JR. said, "It's the same, if I send more then a \$1,000. They still ask me for one." FRANCISCO MENDEZ-NUNEZ said, "No, they've never asked me for one, up to \$1900.00. We'll get the paper here." FRANCISCO MENDEZ JR. said, "Because they are asking me for my social and everything." FRANCISCO MENDEZ-NUNEZ said, "That's what I'm telling you, tell them you're sending less than \$2,000.00, they won't ask for a social or anything." FRANCISCO MENDEZ JR. replied, "Oh, okay. Then I'll call you right back."

During the call Individual J asked SALVADOR GARCIA to come and pick him up at the Mi Segunda Bar. A short time later surveillance observed SALVADOR GARCIA arrive at the Mi Segunda Bar and pick up Individual J, who was identified based on an Illinois driver's

During the conversation SALVADOR GARCIA asked, "Do you have it with you?" Individual J replied, "The ball." [Which may refer to an 1/8 of an ounce of cocaine.] Later in the conversation, Individual J said to SALVADOR GARCIA, "Tomorrow I'll cover you up." FRANCISCO MENDEZ-NUNEZ then said, "For two weeks, to check how they are doing...call the sergeant and ask him." [Based on previous calls, Individual J is believed to be the sergeant. FRANCISCO MENDEZ-NUNEZ told SALVADOR GARCIA he would be in Mexico for two weeks and for SALVADOR GARCIA to call Individual J to check how the cocaine customers were doing.] SALVADOR GARCIA said, "Okay then. I'll let this guy know."

SALVADOR GARCIA then said, "Did he call you? That he is going to come tomorrow at about noon. He leaves to Mexico on Friday." [SALVADOR GARCIA told Individual J that FRANCISCO MENDEZ-NUNEZ would come by the next day at noon before he left for Mexico.] Individual J then said, "And what did he want tickets?" [Tickets may be code for money.] SALVADOR GARCIA replied, "No

license photograph.

but I imagine so but he said he would come tomorrow.” Individual J said, “Oh all right but he hasn’t called me.” SALVADOR GARCIA said, “He told me to let you know.” Individual J acknowledged SALVADOR GARCIA and said he would see SALVADOR GARCIA the next day.

93. Based on intercepted calls and surveillance, Individual J, SALVADOR GARCIA and FRANCISCO MENDEZ-NUNEZ are not known to have met on September 13, 2007.

94. On September 14, 2007, at approximately 12:40 p.m., (Call Session 1583), FRANCISCO MENDEZ-NUNEZ received an incoming call on TARGET PHONE 3 from SALVADOR GARCIA who was using TARGET PHONE 2. During the call, SALVADOR GARCIA said, “I said yes, Where are you?” FRANCISCO MENDEZ-NUNEZ replied, “On the plane!” [Based on surveillance and intercepted calls FRANCISCO MENDEZ-NUNEZ traveled to Mexico at least twice during the investigation.] SALVADOR GARCIA said, “Fucken shit! What do you mean in the plane?” FRANCISCO MENDEZ-NUNEZ said, “I was waiting for you and Cuco yesterday.” [“Cuco” is a nickname for Individual J.] SALVADOR GARCIA said, “I got home yesterday at about 6:00 in the evening.” FRANCISCO MENDEZ-NUNEZ said, “Yeah, he told me. My buddy had the rent money for me. Hold it for me because if not he will spend it.” [FRANCISCO MENDEZ-NUNEZ told SALVADOR GARCIA to hold narcotics proceeds for him so it doesn’t get spent.] SALVADOR GARCIA said, “Oh, okay.” FRANCISCO MENDEZ-NUNEZ said, “And ah Paco...Paco will be back on Sunday.” [FRANCISCO MENDEZ-NUNEZ told SALVADOR GARCIA to give the narcotics proceeds to Paco (FRANCISCO MENDEZ JR.) on Sunday.]

two weeks to Mexico. Also during the conversation, SALVADOR GARCIA said, "And that Paco would come on Sunday." Individual J responded, "Oh, that's why..." SALVADOR GARCIA then said, "He said to give him the rent money." Individual J said, "To who?" SALVADOR GARCIA again said, "Paco!" Individual J said, "Oh, okay. That's why he didn't call." [SALVADOR GARCIA told Individual J that FRANCISCO MENDEZ-NUNEZ said to give the money "Paco" who is believed based on previous calls to be FRANCISCO MENDEZ JR.]

96. On September 17, 2007, at approximately 12:44 p.m., (Call Session 1774), SALVADOR GARCIA using Target Phone 2 placed an outgoing call to Individual J. During the call Individual J said, "No! No, I was calling you dude because I was adding minutes..." [Adding minutes to his cell phone.] SALVADOR GARCIA said, "Oh." Individual J then said, "...and I told them to change to a different phone..." SALVADOR GARCIA asked, "What did they tell you?" Individual J then said, "[sncezes] number and asked me whose name was it under. Is it under your name? Or how did you do it?" [Individual J asked SALVADOR GARCIA if one of the cell phones he is using is under SALVADOR GARCIA's name or someone else. It is common among drug traffickers to place cell phones in other peoples names to avoid detection by police. The phone number intercepted on Target Phone 2 and Target Phone 3 that is being used by Individual J is subscribed to SALVADOR GARCIA.] SALVADOR GARCIA then said, "Yeah, my name!" Individual J then said, "Your name? Oh, it's because they are going to ask me for you information...name and I said, I don't know, his name is Salvador but I don't know his last name." FRANCISCO MENDEZ-NUNEZ said, "You know with who...If you have a chance, take it to (Individual F)'s, he knows how to send it." ["It" is believed to be narcotics proceeds. FRANCISCO MENDEZ-NUNEZ wanted him to give it to Individual F who knows how to send the money to him in Mexico] Individual J replied, "Yeah, that's what I'm saying, if you want I'll take it to him, since he already knows how." FRANCISCO MENDEZ-NUNEZ then said, "Yes. He has a machine there." Individual J asked, "Okay. So do you want me to send you the two?" [An amount of money.] FRANCISCO MENDEZ-NUNEZ replied, "Well yeah."

FRANCISCO MENDEZ JR. then said, "I already talked to her and told her...Because (Individual F) called me yesterday and told me to go and get the money." FRANCISCO MENDEZ-NUNEZ then said, "It's because my buddy Cuco left me some money with him. So I need you to pick it up!" FRANCISCO MENDEZ JR. then said, "Huh? Well that's what I was thinking, but he told me no just send it to him, but I told him he's already coming on Thursday and he told me [U/I]." FRANCISCO MENDEZ-NUNEZ then said, "That's why, so if you go over there, go and pick it up, it's because I had told (Individual F) to tell him that I needed it, because the asshole will spend it all. said, "So then, I'll call you if I need some."

VI. SEARCH WARRANTS

A. Background

99. This Affidavit is also submitted for the purpose of obtaining warrants to search the residences described below for drugs and/or records, as set forth in the respective Applications for Search Warrant with which this Affidavit is being submitted.

100. Based on my knowledge, training and experience, and discussions with other experienced law enforcement officers, I know that participants in long-term drug trafficking organizations, such as the one that is the subject of this Affidavit, frequently retain controlled substances and evidence of their unlawful activities at their residences for extended periods of time.

101. Specifically, based on my knowledge, training and experience, and discussions with other experienced law enforcement officers, I know that drug traffickers regularly keep the following items at places within their control, including their residences, for extended periods of time:

a. Financial information and statements, books, records, receipts, cash disbursement journals, cashier's checks, money orders, telegrams, letters of credit, bank statements, tax returns and other records related to the receipt, expenditure and concealment or other disposition of income, which may be maintained in either paper form or on computers, computer disks, CD-ROM disks, DVD disks or other related equipment;

b. United States Currency, jewelry, and precious metals;

c. Records, notebooks, memoranda, receipts, ledgers, photographs, lists, documents containing contact information for suppliers, couriers, customers and other documents relating to the purchase, sale or distribution of controlled substances, which may be maintained in

either paper form or on computers, computer disks, CD-ROM disks, DVD disks or other related equipment;

d. Books, records, lists, receipts, bank and savings and loan records of deposit, statements and other bank records, letters of credit, money orders, cashiers' checks, passbooks, canceled checks, certificates of deposit, lease agreements, loan records, customer account information, income and expense summaries, cash disbursement journals, financial statements, state and federal income tax returns, and other documents relating to the receipt and other disposition of income and related financial information pertaining to the purchase, lease, sale or other disposition of real or personal property, including real estate, vehicles, jewelry and furniture, which may be maintained in either paper form or on computers, computer disks, CD-ROM disks, DVD disks or other related equipment;

e. Indicia of ownership, occupancy or residency of the premises being searched, including utility and telephone bills, keys, lease agreements, mortgage records, loan documents, service contracts, remodeling contracts and repair contracts;

f. Safes, safety-deposit boxes, keys for safety-deposit boxes, hidden compartments and other secure locations, which often contain the proceeds of narcotics-trafficking activity, including large amounts of United States currency, financial instruments, precious metals, jewelry, rare coins, works of art, and other items of value, as well as books and records regarding the acquisition, use, and disposition of such items of value;

g. Photographs and videotapes of defendants with coconspirators and assets obtained from drug proceeds;

h. Mobile cellular telephones, pagers and other related equipment and the contents

thereof, including antennas and power sources;

I. Unauthorized access devices, commonly known as cellular telephone cloning devices, and the contents thereof; and

j. Money counting machines.

102. These warrants do not authorize the “seizure” of computers and related media within the meaning of Rule 41(c) of the Federal Rules of Criminal Procedure. Rather these warrants authorize the removal of computers and related media so that they may be searched in a secure environment. The search shall be done pursuant to the following protocol: With respect to the search of any computers or electronic storage devices seized from the premises identified herein, the search procedure of electronic data contained in any such computer may include the following techniques (the following is a non-exclusive list, and the government may use other procedures that, like those listed below, minimize the review of information not within the list of items to be seized as set forth herein):

a. examination of all of the data contained in such computer hardware, computer software, and/or memory storage devices to determine whether that data falls within the items to be seized as set forth herein;

b. searching for and attempting to recover any deleted, hidden, or encrypted data to determine whether that data falls within the list of items to be seized as set forth herein (any data that is encrypted and unreadable will not be returned unless law enforcement personnel have determined that the data is not (1) an instrumentality of the offenses, (2) a fruit of the criminal activity, (3) contraband, (4) otherwise unlawfully possessed, or (5) evidence of the offenses specified above);

c. surveying various file directories and the individual files they contain to determine

whether they include data falling within the list of items to be seized as set forth herein;

d. opening or reading portions of files in order to determine whether their contents fall within the items to be seized as set forth herein;

e. scanning storage areas to discover data falling within the list of items to be seized as set forth herein, to possibly recover any such recently deleted data, and to search for and recover deliberately hidden files falling within the list of items to be seized; and/or

f. performing key word searches through all electronic storage areas to determine whether occurrences of language contained in such storage areas exist that are likely to appear in the evidence described in Attachment B.

103. Any computer systems and electronic storage devices removed from the premises during the search will be returned to the premises within a reasonable period of time not to exceed 30 days, as dictated by the volume and complexity of the items seized, excluding any items or materials deemed to be contraband or materially relevant to this investigation, or unless otherwise ordered by the Court.

B. Premises to be Searched for Drugs and Records Relating to Drug Trafficking

104. Based upon my knowledge, training and experience, and all the information contained in this Affidavit, I respectfully submit there is probable cause to believe that controlled substances, as well as the items set forth above in paragraph 101, are located at the premises described below:

1. **The premises known as 10424 S. Avenue L, Unit 2 and detached garage,
Chicago, Illinois (the residence of FRANCISCO MENDEZ-NUNEZ)**

a. Probable cause

105. The premises known as 10424 S. Avenue L, Unit 2, Illinois, including detached

garage, is located at a two-unit building consisting of a yellow-framed two-story building with an upstairs apartment and basement apartment. It is located on the west side of Avenue L, south of the intersection of East 104th street. The address of the building is displayed on the left side of the main front door of the residence. To access the front door of the premises it is necessary to climb one flight of cement stairs that lead directly to the main entrance of the building. To gain access to the cement stairs it is necessary to enter a black wrought iron gate, which requires the use of a key. The apartment to be searched is the upstairs apartment. The detached garage to be searched is located at the rear of the property. The garage appears yellow-framed with a white door. There are no visible address identifiers displayed anywhere on the garage.

106. Physical surveillance conducted throughout the investigation, including in December 2007, has revealed that FRANCISCO MENDEZ-NUNEZ currently resides in the upstairs unit at the premises and that his son, FRANCISCO MENDEZ JR., resides in the basement unit. Surveillance conducted as part of the investigation revealed FRANCISCO MENDEZ-NUNEZ and vehicles utilized by him arrive and depart the residence at various hours of the day and night. For example, on or about December 12, 2007, agents observed FRANCISCO MENDEZ-NUNEZ enter the gate surrounding the residence, which required the use of a key. Further, as part of the investigation, agents deployed a surreptitious video surveillance camera located in an alleyway at the rear of the residence facing the garage, which has captured FRANCISCO MENDEZ-NUNEZ entering and exiting the garage to be searched on multiple occasions. According to records provided by the Chicago Water Company and ComEd, the utility bills for 10424 S. Avenue L, Chicago, Illinois, Unit 2 are in the name Francisco J. Mendez. In addition, Target Phone 3, used by FRANCISCO MENDEZ-NUNEZ, is subscribed to Francisco Mendez, 10424 S. Avenue L, Chicago, Illinois.

Records of the Illinois Secretary of State revealed that on November 17, 2005, FRANCISCO MENDEZ-NUNEZ was issued an Illinois driver's license that listed 10424 S. Avenue L, Chicago, Illinois as his residence.

107. As described in detail above, FRANCISCO MENDEZ-NUNEZ operates a high-volume drug distribution business in Chicago. The investigation has revealed that FRANCISCO MENDEZ-NUNEZ has utilized the premises to be searched in furtherance of those activities, including for storing drugs and drug proceeds. For example, as described above in paragraphs 15-16, after Individual B picked up two kilograms of cocaine, Individual B went with Individual D to FRANCISCO MENDEZ-NUNEZ's residence, met with FRANCISCO MENDEZ-NUNEZ in the rear of the residence and dropped off a plastic bag that I believe, based on my knowledge, training and experience, contained payment for the two kilograms of cocaine. In addition, in the intercepted calls described in paragraphs 53 to 55, FRANCISCO MENDEZ-NUNEZ discussed with DON MCNISH and his son FRANCISCO MENDEZ JR. that he had left a kilogram of cocaine hidden in the garage of the residence prior to FRANCISCO MENDEZ-NUNEZ's trip to Mexico.

b. Request for no-knock authority

108. I respectfully request that agents be authorized to execute the search warrant on this premises without knocking and announcing their presence. As described above, in order to gain entry to the main entrance of the residence, agents must enter a locked wrought iron fence and climb one flight of cement stairs. Based on your Affiant's experience, the excessive time needed to announce their presence at the locked wrought iron gate, breach the locked gate, go to the cement stairs, climb the cement stairs, and then make entry to the main entrance of the residence would expose the agents executing the search warrant to unnecessary danger by enabling the defendant to prepare for and

potentially assault the agents. In addition, it would require agents to approach the door without cover and in plain view of the defendant, rather than positioning themselves outside the potential line of fire before giving notice of their presence. Based on my knowledge, training and experience, I know that drug traffickers are regularly armed and dangerous. In addition to enabling the defendant to thwart law enforcement action, the delay caused by defendant's locked gate would also create an unreasonable risk that defendant would destroy evidence before agents could enter and secure the premises. Moreover, agents anticipate simultaneously executing a warrant to search the other unit at the premises, where FRANCISCO MENDEZ JR., a co-defendant, resides, further heightening the danger and risk of the destruction of evidence.

**2. The premises known as 2846 W. 39th Place, Unit F, Chicago, Illinois
(residence of FRANCISCO SOTO)**

109. The premise known as 2846 W. 39th Place, Unit F, Chicago, Illinois, is located in a white frame house with two units in the primary residence, along with a coach house. The only visible house number is a black 28 on the east side on the screen door. The building has a chain link fence in front with a gate. With respect to the entrance to the first floor unit, concrete stairs lead to a wrought iron white screen door, which provides entry to the first floor unit. The second unit is in the basement and the entrance is in the back of the building on the west side. As noted above, the premises has a coach house in the rear, with the numbers 2846 displayed on the alley side. From the alley there is a black wrought iron gate that leads to a chain link gate. Affiant seeks authority to search only the first floor unit, not the second floor unit or the coach house.

110. Physical surveillance conducted throughout the investigation, including on or about December 17, 2007, has revealed that FRANCISCO SOTO currently resides in the first floor unit of

the premises. During surveillance, agents have observed FRANCISCO SOTO enter and exit the first floor unit. For example, as described above in paragraph 39, on or about September 18, 2007, agents observed FRANCISCO SOTO use a key to enter the first floor unit of 2846 West 39th Place. In addition, based on surveillance conducted on or about December 17, 2007, an officer was able to view the inside of the residence when FRANCISCO SOTO opened the door to the first floor unit, thereby determining that the exterior door opens directly into a residence (as opposed to a hallway leading to multiple residences). In addition, during surveillance conducted as part of the investigation, agents have observed FRANCISCO SOTO and a vehicle utilized by him arriving and departing 2846 W. 39th Place, Chicago, Illinois, at various hours of the day and night. Finally, according to records provided by ComEd, FRANCISCO SOTO pays the utility bills for 2846 West 39th Place Unit F, Chicago, Illinois.

111. As described in detail above, FRANCISCO SOTO is a co-conspirator in a high volume drug distribution business in Chicago. The investigation has revealed that FRANCISCO SOTO has utilized the premises to be searched in furtherance of those activities, including for storing drugs and drug proceeds. For example, as described above in paragraphs 39, 42 and 43, SALVADOR GARCIA has traveled to the premises to pick up cocaine from FRANCISCO SOTO on more than one occasion. Also, as described in paragraph 49, on or about October 31, 2007, during a call between FRANCISCO MENDEZ-NUNEZ and JAVIER GARCIA, FRANCISCO MENDEZ-NUNEZ told JAVIER GARCIA that he would go see FRANCISCO SOTO to purchase drugs if JAVIER GARCIA was not available.

C. Premises to be Searched for Records Relating to Drug Trafficking

112. Based upon my knowledge, training and experience, and all the information contained

in this Affidavit, I respectfully submit there is probable cause to believe that the items set forth above in paragraph 101 are located at the premises described below:

1. The premises known as 10424 S. Avenue L, Unit 1-Basement, Chicago, Illinois (the residence of FRANCISCO MENDEZ JR.)

a. Probable cause

113. The premises known as 10424 S. Avenue L, Unit 1-Basement, Chicago, Illinois, is located in a two-unit building consisting of a yellow-framed, two-story building with an upstairs apartment and a downstairs apartment. It is located on the west side of Avenue L, south of the intersection of East 104th Street. The address of the building is displayed on the left side of the main front door of the residence. In order to gain access to the residence, it is necessary to enter a black wrought iron gate – which is located several feet from the basement's main entrance – and walk on the ground level to the south end of the building where there is a door on the southeast corner that leads directly into the basement. A key is required to enter the black wrought iron gate in front of the building.

114. Physical surveillance conducted throughout the investigation, including in December 2007, has revealed that FRANCISCO MENDEZ JR. currently resides in the basement unit at the premises and that his father, FRANCISCO MENDEZ-NUNEZ, resides the upstairs unit. During the course of this investigation, agents have conducted fixed surveillance at 10424 S. Avenue L, Unit 1-Basement, Chicago, Illinois, and have observed FRANCISCO MENDEZ JR. and vehicles utilized by FRANCISCO MENDEZ JR. arrive and leave the residence at various hours of the day and night. As described above, agents deployed a surreptitious video surveillance camera located in an alleyway at the rear of the residence facing the garage, which has captured FRANCISCO MENDEZ JR.

entering and exiting the garage on multiple occasions. In addition, a Lexis Nexis search of the residence indicated that FRANCISCO MENDEZ JR. resides in apartment one at 10424 S. Avenue, L, Chicago, Illinois. Finally, on February 2, 2006, FRANCISCO MENDEZ JR. was issued an Illinois driver's license, which listed his address as 10424 S. Avenue L, Chicago, Illinois. As described above in paragraph 54, FRANCISCO MENDEZ-NUNEZ was intercepted telling DON MCNISH that FRANCISCO MENDEZ JR. lives in the basement.

115. As described in detail above, FRANCISCO MENDEZ JR., assisted his father FRANCISCO-MENDEZ-NUNEZ in operating a high volume drug distribution business in Chicago. For example, as described in paragraph 49, FRANCISCO MENDEZ-NUNEZ told JAVIER GARCIA to speak with FRANCISCO MENDEZ JR. to see if FRANCISCO MENDEZ JR. could provide JAVIER GARCIA with the money to buy two kilograms of cocaine from JAVIER GARCIA's source of supply. Further, as described in paragraphs 54-55 and 61, FRANCISCO MENDEZ JR. supplied DON MCNISH, VICTOR VELAZQUEZ and Individual L with cocaine, in some instances, without receiving payment (*i.e.*, the cocaine was "fronted" for payment at a later time). Finally, as stated in Paragraph 89, during an intercepted call between FRANCISCO MENDEZ JR. and FRANCISCO MENDEZ-NUNEZ over Target Phone 3, FRANCISCO MENDEZ-NUNEZ instructed his son FRANCISCO MENDEZ JR. to send him an amount of money via a currency exchange to him in Mexico.

b. Request for no-knock authority

116. I respectfully request that agents be authorized to execute the search warrant on this premises without knocking and announcing their presence. As described above, in order to gain entry to the basement apartment at 10424 S. Avenue, L, Chicago, Illinois, it is necessary to enter a black

wrought iron gate – which requires a key – located several feet from the basement's main entrance, and walk on the ground level to the south end of the building where there is a door on the southeast corner that leads to the basement. Based on your Affiant's experience, the excessive time needed to announce their presence at the locked wrought iron gate, breach the locked gate, and then proceed to the southeast corner of the building would expose the agents executing the search warrant to unnecessary danger by enabling the defendant to prepare for and potentially assault the agents. In addition, it would require agents to approach the door without cover and in plain view of the defendant, rather than positioning themselves outside the potential line of fire before giving notice of their presence. Based on my knowledge, training and experience, I know that drug traffickers are regularly armed and dangerous. In addition to enabling the defendant to thwart law enforcement action, the delay caused by defendant's locked gate would also create an unreasonable risk that defendant would destroy evidence before agents could enter and secure the premises. Moreover, as noted above, agents anticipate simultaneously executing a warrant to search the main at the premises, where FRANCISCO MENDEZ-NUNEZ resides, further heightening the danger and risk of the destruction of evidence.

2. The premises known as 4730 S. Bishop, Unit 2, Chicago, Illinois (the residence of SALVADOR GARCIA)

117. The premises known as 4730 S. Bishop, Unit 2, Chicago, Illinois, is located in a two-unit building consisting of a two-story residence with tan siding. This premises is located on the west side of Bishop Street, south of 47th Street. The address of the building is partially displayed in red numerals (**30) on the awning above the burgundy and white painted main entry doors. The door positioned to the south provides access to the first floor apartment (Unit 1) and the door positioned

to the north provides access to the second floor apartment (Unit 2). The residence is enclosed by a four-foot chain link fence. Additionally, the residence has a two-car, detached garage with tan and brown siding and a standard dark brown overhead door. The garage has a Direct T.V. satellite dish affixed to the roof of the garage. Affiant seeks authority to search Unit 2 only.

118. Physical surveillance conducted throughout the investigation, including on or about November 26, 2007 and on or about December 17, 2007, has revealed that SALVADOR GARCIA currently resides in the second floor apartment accessed through the north door (the door positioned to the right when facing the apartment). In particular, on or about December 17, 2007 an agent observed SALVADOR GARCIA entering and exiting the second floor apartment. During the course of this investigation, agents have conducted fixed surveillance at 4730 S. Bishop, Chicago, Illinois, and have observed SALVADOR GARCIA and a vehicle utilized by SALVADOR GARCIA arrive and leave the premises at various hours of the day and night. In addition, a check with the Illinois Secretary of State on SALVADOR GARCIA's driver's license revealed that SALVADOR GARCIA lives at 4730 S. Bishop, Chicago, Illinois. Further, a search of ComEd's records revealed that utilities for 4730 S. Bishop, Unit 2, Chicago, Illinois, are listed in the name of a Hector Bojorquez. On or about September 28, 2007, at approximately 3:42 p.m., (Call Session 2312), a call was intercepted between Target Phone 2 and a telephone number subscribed to Hector Bojorquez. In the call, SALVADOR GARCIA told the person using the telephone number subscribed to Hector Bojorquez that he (SALVADOR GARCIA) had paid the utility bill. Therefore, I believe that SALVADOR GARCIA lives with a flat mate, Hector Bojorquez, in Unit 2.

119. As described in detail above, SALVADOR GARCIA is a co-conspirator in a high volume drug distribution business in Chicago. The investigation has revealed that SALVADOR

GARCIA has utilized the premises to be searched in furtherance of those activities, including storing drugs and drug proceeds. For example on approximately September 1, 2007, at approximately 12:23 p.m., (Call Session 996), SALVADOR GARCIA received an incoming call on Target Phone 2 from Individual I. During the conversation Individual I complained to SALVADOR GARCIA the drugs he previously sold him were of a poor quality to which SALVADOR GARCIA responded, "That is the way that I got it, and I still have like seven at home. "[SALVADOR GARCIA told Individual I he has 7 more ounces at home.]]¹⁶ Throughout the investigation agents have made two controlled buys from SALVADOR GARCIA and observed other drug transactions. See paragraphs 72-88. In addition, as described in paragraph, 84, on or about August 21, 2007, FRANCISCO MENDEZ-NUNEZ requested that SALVADOR GARCIA send narcotics proceeds to Mexico.

3. The premises known as 3706 S. Paulina, Unit 1F, and detached garage, Chicago, Illinois (the residence of JAVIER GARCIA)

120. The premises known as 3706 S. Paulina, Unit 1F, Chicago, Illinois, including detached garage, is located at a two-unit building consisting of a tan-siding residence with a basement apartment. The premises is located on the west side of Paulina Street, south of 37th Street. The address of the building is displayed diagonally in black numerals (3706) on the front of the residence just south of the main entry door. Unit 1F is on the first/main floor of the two unit-building, with the entrance in the front of the building, just inside a six-foot decorative wrought iron fence that encloses the front of the residence, at the top of a short set of stairs. The entrance to the second unit is down a set of stairs, which are located just behind the stairs leading to the first/main floor of the building.

¹⁶The transaction between on SALVADOR GARCIA and Individual I was video recorded by agents.

The residence has detached two-car garage with tan siding, which has a white standard overhead garage door.

121. Physical surveillance conducted throughout the investigation, including in December 2007, has revealed that JAVIER GARCIA currently resides in the first floor apartment at the premises. In particular, agents have observed JAVIER GARCIA entering and exiting the first/main floor unit. In addition, on October 27, 2007, at approximately 4:12 p.m., (Call Session 1071), FRANCISCO MENDEZ-NUNEZ received an incoming call on Target Phone 3 from JAVIER GARCIA. During the call, FRANCISCO MENDEZ-NUNEZ said, "Are you at home?" JAVIER GARCIA replied, "Yeah. We're still...." FRANCISCO MENDEZ-NUNEZ said, "Okay." JAVIER GARCIA said, "I'm here, yeah." FRANCISCO MENDEZ-NUNEZ said, "Okay, I'll be there, I'll be there in about 10 minutes." At approximately 4:51 p.m., surveillance followed and observed FRANCISCO MENDEZ-NUNEZ arrive at 3706 S. Paulina, Chicago, Illinois. During the course of this investigation, agents have conducted fixed surveillance at 3706 S. Paulina, Chicago, Illinois, and have observed JAVIER GARCIA and vehicles utilized by and registered to JAVIER GARCIA arrive and leave the residence at various hours of the day and night. Surveillance has also revealed that JAVIER GARCIA frequently meets individuals inside the detached garage of the premises. Finally, according to records provided by the Chicago Water Company and ComEd, JAVIER GARCIA pays the utility bills for Unit 1F at 3706 S. Paulina, Chicago, Illinois and a Lexis Nexis search of the residence indicated that JAVIER GARCIA resides 3706 S. Paulina St., Apt. 1, Chicago, Illinois.

122. As described in detail above, JAVIER GARCIA is supplying FRANCISCO MENDEZ-NUNEZ's organization with wholesale amounts of drugs. For example, as described in paragraphs 37-41, JAVIER GARCIA instructed his brother-in-law FRANCISCO SOTO to distribute

an amount of drugs to SALVADOR GARCIA. Based on the phone calls recounted in the above-referenced paragraphs, SALVADOR GARCIA later paid JAVIER GARCIA for the drugs. In addition, as described in paragraphs 47-52, JAVIER GARCIA also distributed wholesale amounts of cocaine to FRANCISCO MENDEZ-NUNEZ.

123. Based on the facts contained in this affidavit, your Affiant believes that probable cause exists to search the premises and that such a search will result in the seizure of items described in paragraph 101 of this document and that seizure of such items will be of evidentiary value in this investigation. In particular, due to the fact that JAVIER GARCIA is a wholesale distributor of controlled substances it is likely that his residence contains books, ledgers, receipts and other papers relating to the procurement, distribution, storage, and transportation of controlled substances, along with the other categories of items set forth in paragraph 101.

**4. The premises known as 5207 S. Rockwell Street, Unit 1, Chicago, Illinois
(the residence of JUAN DURAN)**

124. The premises known as 5207 S. Rockwell Street, Unit 1, Chicago, Illinois, is located in a two-story building consisting of two units, one on the first floor and one on the second floor. The building has a single white front door with the numbers 5207 in black located south of the door. The building has old red and gray siding on the front, with all gray shingle-style siding on the side. The rear of the building has light tan siding. There are two air conditioners protruding from the front of the building, one from the second floor window and the other mounted through the wall on the third floor. The garage has a brown service door with light tan wood trim and a chain link gate that leads into the yard. The building is on the east side of Rockwell and is the third premises south of 52nd street. There is an elementary school located across the street from the residence.

125. Physical surveillance conducted throughout the investigation, including on or about December 17, 2007, has revealed that JUAN DURAN resides at 5207 S. Rockwell Street. According to records provided by ComEd, JUAN DURAN pays the utility bills for Unit 1. In addition a Lexis Nexis search revealed JUAN DURAN resides at 5207 S. Rockwell Street, Apt. 1F, Chicago, Illinois. On October 14, 2005, JUAN DURAN was issued an Illinois driver's license, which listed his residence as 5207 S. Rockwell Street, Chicago, Illinois. On November 5, 2007, at approximately 4:25 p.m., agents observed JUAN DURAN enter a silver 4-door Buick bearing Illinois license plates 6055715, which is registered to JUAN DURAN at 5207 S. Rockwell Street, Chicago, Illinois. At approximately 4:50 p.m., agents observed DURAN arrive at 5207 S. Rockwell and enter the front door of the residence. During the course of this investigation agents have conducted fixed surveillance at 5207 S. Rockwell Street, Chicago, Illinois, and have observed JUAN DURAN and a vehicle utilized by JUAN DURAN arrive and leave the residence at various hours of the day and night. On or about December 17, 2007, uniformed CPD officers conducted a well-being check at the residence by knocking on the main exterior entry door. A man who identified himself as JUAN DURAN appeared from the interior door into the first floor apartment and spoke with the officers.

126. As described in detail above, JUAN DURAN is supplying FRANCISCO MENDEZ-NUNEZ with wholesale quantities of drugs. For example, as described in paragraphs 17-30, JUAN DURAN supplied at least two kilograms of cocaine to FRANCISCO MENDEZ-NUNEZ on October 30, 2007, which FRANCISCO MENDEZ-NUNEZ then re-distributed to OSCAR ANDRADE the next day. Based on surveillance and intercepted calls on Target Phone 3, your Affiant believes that JUAN DURAN is supplying additional large amounts of cocaine to FRANCISCO MENDEZ-NUNEZ.

127. Based on the facts contained in this affidavit, your Affiant believes that probable cause exists to search the premises and that such a search will result in the seizure of items described in paragraph 101 of this document and that seizure of such items will be of evidentiary value in this investigation. In particular, due to the fact that JAVIER GARCIA is a wholesale distributor for the organization it is likely that his residence contains books, ledgers, receipts and other papers relating to the procurement, distribution, storage, and transportation of controlled substances, along with the other categories of items set forth in paragraph 101.

5. The premises known as 2014 S. Blue Island Avenue, Unit 2R, Chicago, Illinois (the residence of VICTOR VELAZQUEZ)

128. The premises known as 2014 S. Blue Island Avenue, Unit 2R, Chicago, Illinois, is located in a multi-unit blue and grey framed building. The building is located on the west side of Blue Island Avenue, south of the intersection at 21st Street. The address of the building is displayed on the left side of a white door on the north end of the building of the residence. There are two doors located in front of the building, one north and one south. During surveillance, agents have observed VICTOR VELAZQUEZ utilizing keys while entering the north door, which, based on its location, leads upstairs. There is a detached garage belonging to the address. The garage is a brick structure with a brown door. On the top of the door there is a black makeshift basketball hoop which was made from a small plastic crate. There is no visible address identifiers displayed anywhere on the garage.

129. According to Cook County records, 2014 Blue Island Avenue is a four-unit building. Physical surveillance conducted throughout the investigation, including in December 2007, has revealed that VICTOR VELAZQUEZ resides in a unit accessible from the north door. During the course of this investigation agents have conducted fixed surveillance at 2014 Blue Island Avenue and

have observed VICTOR VELAZQUEZ and a vehicle utilized by VICTOR VELAZQUEZ arrive and leave the residence at various hours of the day and night. According to records provided by ComEd, VICTOR VELAZQUEZ pays the utility bill at Unit 2R. In addition a Lexis Nexis search showed that VICTOR VELAZQUEZ resides at 2014 Blue Island Avenue, Apt. 2R, Chicago, Illinois, and 2014 Blue Island Ave., 2nd Floor. Further, as described below in the following paragraph, VICTOR VELAZQUEZ was intercepted indicating that he forgot something "upstairs."

130. As described in detail above, VICTOR VELAZQUEZ purchase wholesale amounts of drugs from FRANCISCO MENDEZ-NUNEZ then re-distributes the drugs to customers including SALVADOR GARCIA. The investigation has revealed that VICTOR VELAZQUEZ has utilized the premises to be searched in furtherance of those activities. As described in paragraphs 72-74, SALVADOR GARCIA purchased an unknown amount of drugs from VICTOR VELAZQUEZ in the alley near VICTOR VELAZQUEZ's residence. During the calls SALVADOR GARCIA asked, "Are you there, or not?" VICTOR VELAZQUEZ responded, "I'm here already. Just come here, and I'll come out to the back. What side, what side are you going to be on?" SALVADOR GARCIA said, "I'm over here by Loomis." VICTOR VELAZQUEZ said, "Okay." SALVADOR GARCIA said, "I'm, I'm going to [U/I]..." VICTOR VELAZQUEZ then said, "I'm going to...it's that I forgot the card upstairs. So just, just go to the back and I'll come out." At approximately 2:35 p.m., Agents observed SALVADOR GARCIA arrive in the area behind 2014 S. Blue Island Avenue in a purple Mustang bearing Illinois license plates 6039979. A short time later, agents observed and video recorded VICTOR VELAZQUEZ arrive in a white Chevrolet Suburban bearing Illinois license plates 3061212, which is registered to VICTOR VELAZQUEZ at 2014 S. Blue Island Avenue. Agents then observed GARCIA approach the driver's side window of VELAZQUEZ'S vehicle. Moments later GARCIA

placed his right hand in his pant pocket and walked back to and entered the Mustang and departed the area. Subsequent to the meeting, SALVADOR GARCIA phoned VICTOR VELAZQUEZ and stated, "You came up short." Based on the intercepted calls and surveillance, your Affiant believes SALVADOR GARCIA purchased an amount of drugs from VICTOR VELAZQUEZ at his residence.

131. Based on the facts contained in this affidavit, your Affiant believes that probable cause exists to search the premises and that such a search will result in the seizure of items described in paragraph 101 of this document and that seizure of such items will be of evidentiary value in this investigation. In particular, due to the fact that VICTOR VELAZQUEZ is re-distributing wholesale quantities of cocaine it is likely that he is servicing a high volume of customers, making it probable that his residence contains books, ledgers, receipts and other papers relating to the procurement, distribution, storage, and transportation of controlled substances, along with the other categories of items set forth in paragraph 101.

VII. SUMMARY
